Christmas Mini Sessions

Welcome to our annual Christmas mini sessions, an exclusive occasion for loyal friends of Peta Nikel Photography. It's a great opportunity for you to take care of some Christmas gifts and to capture how much your children have grown.

What can you expect?

Lots of Christmassy fun! This year our theme is earthy tones with subtle splashes of festive red and green. This setup is perfect for up to 3-4 children. While Mum and Dad relax with a hot chocolate, we will capture sibling portraits as well as individual portraits with some fun at the end with our Christmas props. These 20 minute sessions are short but sweet!

When is all this fun happening?

We have set aside Friday 13th November and Saturday 21st November. Limited sessions are available each day so be sure to secure your spot. We'd hate for anyone to miss out! Preference for the Saturday sessions will be given to families with school aged children.

What is included in the fee?

There are two collection options available;

Collection One - $125

20 minute session
One 8x12" print of our choosing
A low resolution file of that same image for sharing online

Collection Two - $295

20 minute session
8 high resolution digital files (print ready)
One 8x12" print of our choosing
25% off any additional prints

A non-refundable $75 deposit is payable upon booking to secure your session with balance due prior to the session day.

So what do you say? Are you ready to join Peta and her little helper for some Christmas cheer?
